

From Patsy Paine (Latrobe CC, Officiating Referee at the event in Adelaide)

Tasmania had 3 participants in The ACA U21 Championships held recently in Adelaide. The boys were highly competitive and their confidence and skills grew daily. Curtis Mead (Latrobe) just missed out on a place in the final 4 but went on to win the consolation event (Division 2 Championship) from fellow Tasmanian Miley Fleming (Kingston). The 2 boys then teamed up to place third in the Doubles. Our other competitor was the youngest in the field 10 year old Jamie Fleming (Kingston) who demonstrated skills and tactics way beyond his years winning much applause for his enthusiasm.

The boys did their grandmothers, their clubs and Tasmania proud.
