COMMENTS ON THE EVENT AND ANY RECOMMENDATIONS FOR FUTURE YEARS:

Weather was bad but typical of weather to be expected in ISS. Based on my experience from the last time we played in NSW the courts were of similar standard to those expected in ISS – not as good as Maitland but on a par with Toronto or EDSAC and better than Newcastle National Park.

Event needs a stronger player base – suggest all team members, selectors, coach, selection squad members and past team members be urged to accept invitations so can play at a standard and in a format identical or close to that of ISS. Without this stronger playing list, event must inevitably include players who are unaccustomed to ISS conditions – and these players will expect longer and more frequent breaks, which produces a format with insufficient games to challenge top players.
