### COMMENTS ON THE EVENT AND ANY RECOMMENDATIONS FOR FUTURE YEARS:

The event was held as a double round robin over three days.

The lawns and conditions were very good with tight hoops in new holes.

The time this event was held was problematic and most of the entrants had just got home from the Eire Cup and were exhausted.

I will be changed for 2020.

The winner of the event was decided on the last game between the eventual winners and runners up. It was a very high quality game. A 5th turn 9, followed by another 9 from other team, and followed by a final 5 from winners. Very good croquet.
