**COMMENTS ON THE EVENT AND ANY RECOMMENDATIONS FOR FUTURE YEARS:**

The event was run over the three days above with concern rising associated with forecast weather scheduled for last day. This did not eventuate and all games were finished on schedule. Callum is to be congratulated on his win with a standard of play above all others competing. His 4 TP's in 7 games a testament to this. The lawns were double cut prior to play and mowed each day of play. Each round had at

least one game that went 3 hours or over so play continued well into each day.

## Comments

It was a surprise that entry is now \$90 per player.

The TCA kindly agreed to pay club green fees for all players.

Was a pity that 10 players could not be fielded, but it should be noted that this is likely to continue unless new association players are recruited and they advance quickly through the ranks. At this point women players are needed now.

The supportive effort of nonplaying club members in setting lawns, keeping players well hydrated and provided with morning and afternoon tea was much appreciated. Particular mention of Alan Broom, Doreen Bryant, Suze Lord, Amanda Smithers and Terrye Davis. Ross Doddridge for marking the lines and Ian Bassett and Henry Burbury for work on the lawns. Thanks again to Alan for his tireless work keeping the surrounds in order.

Refereeing was pretty well managed by the out player of other games.

Spectators were few and those that did attend went away feeling they had learnt something, which was a positive.

## Recommendations

Consider bringing this event forward to say November.
