

[All 20 players who took part in the event were given survey forms to complete. 15 completed forms were returned. The rest of this report identifies the survey questions asked, and summarises the responses.]

Thank you for participating in the Tasmanian Golf Croquet Classic at St. Leonards, August 17-19, 2018.

To help us plan better for future tournaments, could you please complete (anonymously) the following survey. Just circle one option for each question with a rating from 1 to 5.

The grass cover was	poor	1	2	3	4	5	excellent
		0	0	4	11	0	

The speed of the courts was	slow	1	2	3	4	5	fast
		1	4	7	3	0	

The courts ran true	uneven	1	2	3	4	5	even
		0	1	7	6	1	

The event format was	poor	1	2	3	4	5	excellent
		1	0	1	8	5	

Finally, do you have any general comments to make?

1. Classic should be an invitation event which includes State team – people on cusp of selection being invitees. Try to emulate ISS with best of two format.
2. No enough games per day – start times too social – wasted opportunity for state team training.
3. The format worked well but feel we could schedule 3 matches a day with an earlier starting time and no scheduled lunch break.
4. Good format but needs to be 3 matches per day.

5. More games per day if possible
6. Shorter lunch break. Due to rough weather and debris blown on lawns – fierce winds.
7. Winds could be a safety issue. Format different could be confusing to some players. Overall an enjoyable event.
8. The lawns are improving. Wet weather didn't help. Format could improve with 12 teams.
9. Tree litter – very bad.
10. Gum trees dropped gumnuts, bark and branches/twigs. Made play very slow due to picking these items up. Also scary due to possibility of trees being blown down.
11. Great.
