

# Association Croquet Spring Pennant

## Roster2023

Starting on the 29<sup>th</sup> August and finishing 6 weeks later on the 5<sup>th</sup> October.

Due to many factors, our numbers are a little depleted at the moment. Each club has found it difficult to field full 4 person teams.

As a result, the Division A roster will have 3 clubs participating, (Eastern Shore, Kingston and New Town) with full 4 person teams. A match will consist of the normal situation of 2 Doubles and 4 Singles.

Division B will have 1 team from Sandy Bay, 1 team from Kingston and 2 from Eastern Shore. These teams will consist of 3 players in each. A match will consist of 1 Doubles and 4 Singles. The extra singles match will be between the Number Ones in week one, Number Twos in week two and number Threes in week three. (and rotate around again in weeks 4, 5 and 6.) This does mean that the people playing the extra singles will end up playing the same person twice on that day.

Division C will have 1 team from Kingston and 1 team from Eastern Shore. These teams will consist of 2 players and will change in personnel from week to week. A match will consist of 1 Doubles and 2 singles.

**New individualised score sheets are provided to reflect the changed conditions in each Division.**

In the following roster the first named team will be the host club for the day.
