Subject **South V North/NW Teams Competition**
 2-3 November 2024

The proposal is to have a two-day competition at the Northern Tas CC over Saturday and Sunday the 2nd and 3rd of November 2024.

In conjunction, the silent auction for the Openshaw Shield Fund fundraiser will be finalised at the clubrooms on the Saturday afternoon/early evening involving a BBQ etc.

Organization of this by the Openshaw Committee.

Obviously, we would like as many players as possible, family, friends and northern croquet players to be present.

The Teams Competition.

Two teams of 6 from each area to play two tests over 2 days.

Results cumulative over 2 days based on tests won/then matches and then games.

CT to provide medals for winning teams. (No entry fee but lawn fees to be paid by visiting players.)

Teams are made up by selection and offers to participate. If expression of interest used, make sure process is clear and not wavered from.

No handicap range for either team.

Team members can be substituted over the two days.

Team 1 – (Div 1) would be likely the best players available

Team 2 – (Div 2) the next players available.

Teams of 6 play

3 doubles 1 & 2 play 1 & 2 etc – best of 3 x13 hoop games

6 reverse singles 1 v 2 /1 v 1 etc – best 2 x 13 hoop games

Total max 7 games per day - could be 6 depending on the doubles.

If as suggested, but I query this, Div 2 players feel they cannot play 7 games max per day -reduce to single games of singles.

Selectors South - Peter Tracy /Darrel Jacobs
 N/NW – Patsy Paine/Ruth McKean/Tom Dart

Teams to be finalized by 30/09/24
