CLUB CHRISTMAS BARBEQUE

With a number of members away, including our President and Vice President, this year's Christmas function was held at the Club, with about 25 members enjoying the sunshine, gourmet BBQ served by chefs Tony and Stuart, and a sumptuous selection of desserts.

ENGLAND WIN THE MACROBERTSON SHIELD

The England team put up a fantastic performance in Australia to triumph in the MacRobertson Shield winning all three tests against the other nations.

Australia, the previous Shield-holders, were runners up, followed by New Zealand and the United States.

The Croquet AC World Team Championships are a gruelling three-week test of stamina and skill and this series, played at the Victorian Croquet Centre in Melbourne, was extremely challenging, with tight hoops and high winds effecting play.

Congratulations and well played to all the England Team.

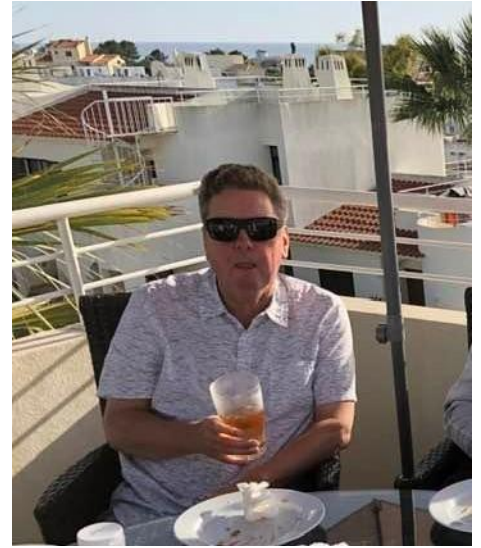

PRESIDENT IN PORTUGAL

President Paul and Janis are enjoying a holiday in England and Portugal and send their best wishes to all members for a happy Christmas.

Winter in Portugal looks better than our Tassie summer!

HOW DOES OUR GARDEN GROW?

Very well indeed – the new garden is a blaze of colour and a real asset to our Club grounds. Thanks to our Garden Committee Pam, Lainie and Janis and to the many volunteers who contributed their time, gardening skills and elbow grease.

CLUB C GRADE DOUBLES CHAMPIONSHIP

Congratulations to Sandy Cheek and Martin Renilson, winners of this year's C Grade Doubles. The Open and B Grades will be played in the new year.

AND FINALLY, A GREAT JUMP SHOT

Worth a watch:
